**Nursing students' experiences of bullying in clinical practice**  
Article Dec 2019  
Florence L. Luhanga · Vivian Afrah Pupilampu · Sherry Arvidson · Adeyemi Ogunade  
Bullying is a major concern in the nursing profession because of its implications for patients' safety, the health of nurses and nursing students, as well as on the workforce in the healthcare system. The purpose of the study was to explain the incidence and state of bullying...
