Dear Speakers, co-Authors of the presentations, Participants, and Listeners,
The Conference "EIAETM III - Environmental Innovations: Advances in Engineering, Technology, and Management" starts on 28 September 2021 at 14:30 (2:30 PM) Kiev (Ukraine Time)
The Conference is held using ZOOM (<https://www.zoom.us/>)

Although you can use web-based platform, Organizational Committee recommends to use ZOOM application instead.
Its free and can be downloaded from the website above.

Please, keep in mind, the **registration in ZOOM** is mandatory to join this Conference.
The Full Name in the Format FirstName LastName is **required** for all the attendees.
The REAL photo of all the attendees is **mandatory** as well. Please, do not use any other pictures instead of your own photo

Last remark to Speakers: **there is no** option "short oral presentation" at the current event except Young Session Speakers.
So, please prepare a full presentation for 15 minutes (approx. 15-20 slides)
On the page <http://environment.triacon.org/gcal.html>, you can find all the information, updated schedule, and abstracts of the presentations
As well as the link to the ZOOM meeting and guide to join.

The co-Authors and Listeners can attend the event completely **FREE-Of-Charge**, but registration is **mandatory**

All of you are also invited to share this email and links with your colleagues and everyone who can be interested in attending the Event.
Thank you in advance
